- ◆ Provision for appeal against order of NCLT [section 72(2) to 72(5) of LLP Act].

- ◆ Provision made for adjudication for penalties and appeal against adjudication order [section 76A of LLP Act].
- ◆ Enabling provision to issue order for removal of difficulties [section 80(1A) of LLP Act].

The provisions are explained below. These will be effective from date to be notified.

1. Government can exclude any activity from definition of business

Section 2(1)(e) of LLP Act as proposed to be amended provides that the Central Government may, by notification, exclude any activity from the definition of 'business'.

As per section 11(1) of LLP Act, LLP can be constituted only for carrying on a lawful business with a view to profit. Thus, if any activity is excluded from the definition of 'business', LLP cannot be registered for that purpose.

2. Small Limited Liability Partnership

“Small limited liability partnership” means a limited liability partnership— (i) the contribution of which, does not exceed Rs. 25 lakh or such higher amount, not exceeding Rs. five crore, as may be prescribed; and (ii) the turnover of which, as per the Statement of Accounts and Solvency for the immediately preceding financial year, does not exceed forty lakh rupees or such higher amount, not exceeding fifty crore rupees, as may be prescribed; or (iii) which meets such other requirements as may be prescribed, and fulfils such terms and conditions as may be prescribed – Section 2(1)(ta) of LLP Act, proposed to be inserted *vide* LLP Amendment Act, 2021.

The purpose is to provide relief in case of certain procedures. The penalty imposed on small LLP will be 50% of normal penalty under section 76A(3) (a) of LLP Act, proposed to be inserted *vide* LLP (Amendment) Act, 2021.

3. Name should not be identical with other name or in violation of Trade Marks Act

Name should not be identical or too nearly resembling to that of any other limited liability partnership or a company or a registered trade mark of any other person under the Trade Marks Act, 1999 – Section 15(2)(b) of LLP Act, proposed to be amended *vide* LLP (Amendment) Act, 2021.

4. Rectification of name of LLP

Provision relating to rectification of name, where the name of LLP is identical or too similar to name of other LLP or company or violates provisions of Trade Marks Act, are made in section 17 of LLP Act. If name of LLP is identical or too nearly resembling to that of any other limited liability partnership or a company or a registered trade mark of any other person under the Trade Marks Act, 1999, Registrar can order change of name. Application from proprietor of trade mark should be made within three years. However, subsequently the company can again change the name, if it so desires.

5. Accounting and Auditing standards

The Central Government may, in consultation with the National Financial Reporting Authority (NFRA) prescribe the standards of accounting and prescribe the standards of auditing for a class or classes of limited liability partnerships – Section 34A of LLP Act, proposed to be inserted *vide* LLP (Amendment) Act, 2021.

6. Compounding of Offenses

Section 39 of LLP Act has been revamped and elaborate provisions have been made for compounding of offenses by Regional Director, where LLP Act provides for imposition of fine only. Compounding can be made before or after institution of any prosecution. After compounding, there will be no prosecution.

7. Establishment of Special Courts to try offenses under LLP Act

Provision of special courts has been made for speedy trial of offenses under LLP Act, by inserting section 67A to LLP Act. Till such Special Courts are constituted, Special Courts under Companies Act, 2013 shall be ‘special courts’ for purpose of LLP Act.

As per section 67B of LLP Act, Court which has jurisdiction over registered office of LLP will be the special court. Summary trial is permitted for small offenses.

Appeal and revision lies with High Court – Section 67C of LLP Act.

The Special Court can impose punishment under section 30 of LLP Act – Section 77(i) of LLP Act.

Cognizance of case can be taken by Special Court only on complaint filed by officer not below rank of Registrar in writing – Section 77A of LLP Act.

8. Establishment of Office of Registrar

Central Government shall appoint Registrar, Additional Registrar, Joint Registrar, Assistant Registrar etc. for exercising powers and discharging functions under LLP Act – Section 68A of LLP Act.

9. Payment of Additional Fee (Late Fees)

Section 69 of LLP Act has been inserted for imposing additional fees for late filing of documents. Earlier, the additional fees were prescribed under LLP Act itself, which were abnormally high. Now, additional fees will be prescribed under Rules, which are expected to be lower and reasonable. Additional fees are expected to be further lower for small LLP.

10. Appeal against order of NCLT

Section 72(2) to 72(5) have been inserted in LLP Act to provide for appeal to NCLAT against order of NCLT.

11. Removal of Difficulties

Central Government can issue order for removing difficulty in implementing provisions of LLP Amendment Act, 2021. Such order can be issued within three years from date of commencement of Amendment Act – Section 80(1A) of LLP Act.

12. Provision of fine converted into penalty

In following cases, provision of fine has been converted into provision of penalty. Thus, in these cases, adjudication can be made and penalty can be imposed by adjudicating authority (Registrar) under section 76A(3) of LLP Act. Appeal against order of Registrar lies with Regional director under section 76A(5) of LLP Act.
